

IQConference Cam CV800

Enterprise-Grade PTZ camera for mid to large-sized rooms

HD 1080p Image

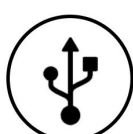

Enhanced PTZ

10X Optical Zoom

Support RTSP streaming

USB / LAN Connection

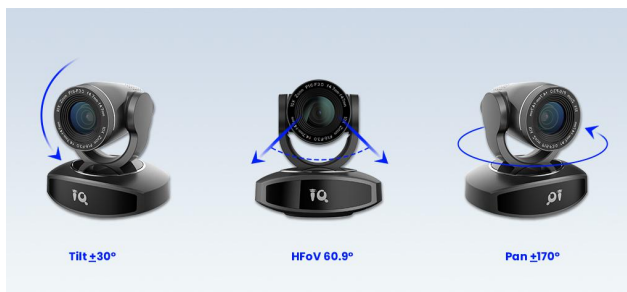

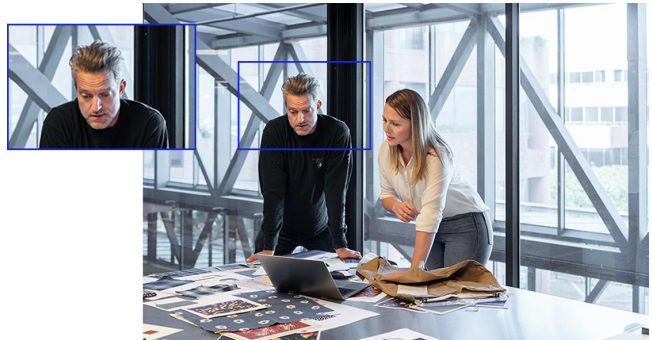

10 Camera Presets

Crystal-clear image

PTZ Camera with Optical zoom lens and 1/2.8 inch high quality CMOS sensor. Resolution is up to 1920×1080 with frame rate up to 60fps. Even the people sitting far away can be present vividly.

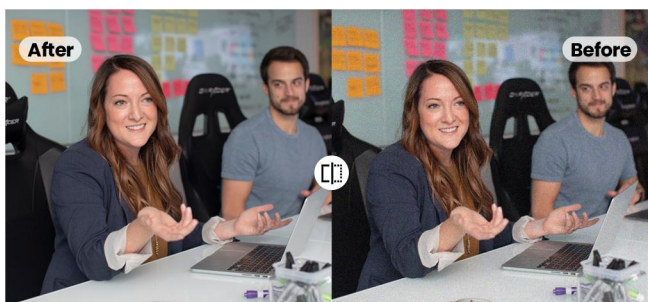

Seamless pan & tilt

The wide-angle pan and tilt control makes sure everyone is included in the screen, wherever they sit. The movement is so swift, smooth and quiet without any interference to the meeting.

Video compression to ensure smooth playing

It supports H.265/H.264 encoding which makes motion video fluent even under less than ideal bandwidth conditions.

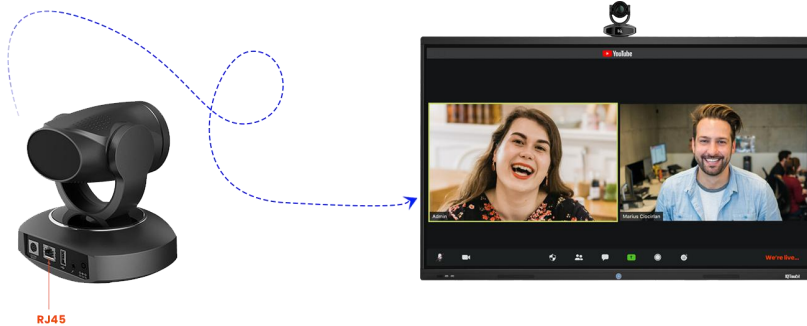

Low Noise and High SNR

CMOS effectively ensures high SNR of camera video. Advanced 2D/3D noise reduction technology is also used to further reduce the noise, while ensuring image sharpness.

USB plug-and-play connectivity

Easy to set up and use. Simply connect CV800 to the conference room computer or your laptop through USB, which minimize the cable clutter.

Multiple Network Protocols

CV800 is with LAN port which supports ONVIF,RTSP,RTMP protocols and support RTMP push mode, easily link to streaming media server and deliver live content to online platforms.

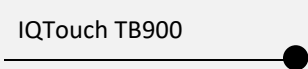

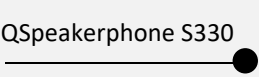

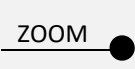

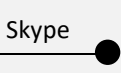

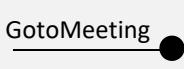

RS232 Integration

Easily blend into your existing boardroom environment through RS232 control protocol. Use CV800 with your familiar control panel and no need to worry about compatibility.

For better interaction, we suggest you using IQConference Cam CV800 together with:
